Marquee Style Options:

Traditional Marquees

An aluminium frame with a fabric roof and the option of solid or clear wall panels.

The wall panels can be opened to create entrances or service ways.

Premium Marquee

Includes all the features of a Traditional marquee but with a levelled, cassette flooring system.

The structure is not required to be pegged or weighted (subject to conditions).

VIP Marquees

The VIP Marquee has an aluminium frame with a fabric roof and the option of solid or clear (glass) wall panels.

Like the Premium marquee, the VIP Marquee comes with a levelled, cassette flooring system. The structure is not required to be pegged or weighted (subject to conditions).
